LARPD JUMP HOUSE POLICY

Air jump/bounce house equipment is allowed at some parks in Livermore. Any company setting up at a LARPD park must have current insurance on file. We provide a list of companies that have complied with the insurance requirements. All Air jump/bounce house permits are processed through L.A.R.P.D. Parks Division at the Maintenance Service Center (MSC). **Permit fee is due one (1) week before date of your event: \$25 for Livermore residents and \$40 for Non- Livermore residents.** Staff will let you know if the park you are considering allows air jump equipment. Also, the company you select will be instructed as the equipment can be placed at the park. The MSC number is (925) 960-2440.
